

Beginner Tennis Instruction

The Towerpoint Tennis Club offers free tennis lessons to all Towerpoint residents. These lessons include loaner racquets, practice balls and all equipment needed to learn the game. Instruction is provided by trained and experienced senior members of the Towerpoint Tennis Club.

Lessons: Every Friday 12:30 to 2:00 PM Court #5

All you need is sun screen, hat or visor, and non marking athletic shoes. You do not have to join the tennis club to learn and play. The courts are open to all residents. You're never too old to learn. About half of our tennis players learned to play after coming to Towerpoint.

Beginner Instruction
Coordinators

Instruction includes:
ground strokes, forehand and backhand, volleys (hitting the ball before it bounces) serves, lobs, score keeping and game strategy. We only play Doubles. Health and safety matters are discussed.

After the skills are acquired students may, if they wish, advance to play on a team. Towerpoint is a member of the East Valley Senior Tennis League and we play matches each week against other member resorts. Matches are skill-level specific. The Towerpoint Tennis Club is the largest and we believe the most social club in our park.

Come join the fun and meet 200 new friends
