

The **Towerpoint In-Park** tennis tournament is held every March following the end of the regular league season. The current format is a 4 person team with each player playing with a different team partner for 3 matches using an 8 game pro set scoring method. The team with the most points wins. Awards are presented at the March Awards Dinner.

This is a fun In-Park tournament with some teams choosing to dress in a team name theme. All Towerpoint residents are invited to sign up for the tournament.
