

## SSV Mixed Doubles Tournament

### Tournament Rules

Dates: **Monday, March 18, 2013** thru **Saturday, March 23, 2013**

There are 2 options to determine the entry level for your mixed doubles:

- (1) Both players will play at the same level ie; 4.0 woman + 4.0 man = 4.0 team
- (2) The woman or man can play one level above their partner  
ie; 4.0 woman + 3.5 man = 4.0 team.

Entries: Each Draw is limited to 16 teams. We will be adding 2 more brackets, so each club should submit as many teams at each level as they can.

Players who currently are rostered members of a multi-park team, sanctioned by the EVSTL, are eligible to enter with one of their teammates.

Entries for the 4+ draw is by invitation only.

Draws: Draw levels will be 1.5, 2.0, 2.5, 3.0, 3.5, 4.0 and 4+.

The No. 1 team from each club is assured a place in the tournament.

Back-up teams from each club, will play if open slots are available. Last year we had 2 divisions at each level except for the 1.5 and 4+ level. This year, we are adding 2 divisions to those levels that submit the most teams. Example would be if the 2.5 level submits 48 teams, they will have 3 divisions. We will be using all 12 of our tennis courts.

Competition: **Two (2) of Three (3) sets.**

All levels will play an eighteen (18) point third set tie breaker.

All matches will be 2nd deuce as game point, serving gender to gender.
