

Welcome to the Sunland Springs Village Tennis Tournament

Please join us for the 20th Annual
Sunland Springs Village
Mixed Doubles Tennis Tournament
Monday March 16 through Saturday March 21, 2020
Hosted by the SSV Tennis Club

We are looking forward to another successful tournament in March 2020. We expect to fill between 11 to 15 brackets, which include two brackets all levels of play except the 1.5, 4.5 and 75 + teams, although we can expand them if we get sufficient entries. We will consider a third bracket for the levels that have the largest response. Although we are not always able to accommodate all teams wishing to compete in the tournament, we will do our best to get all entries a place in the tournament.

Each bracket will have a consolation event for all losing first round teams thereby giving them a minimum of two matches during the tournament.

We will have a 4.5 bracket for those players with a tencap number of 29 or lower. If either player has a number of 29 or below they will automatically be entered into the 4.5 bracket. To encourage participation at this level we will allow players to have a partner from a different EVSTL club than their own. For further information on this change, please see the section on "Draws" in the Tournament Rules section.

The 75 plus players do not need to have played a league match to qualify for this tournament. Players can be from league or Recreation and can combine to make a team (i.e. one league player and one rec player). To encourage participation at this level we will allow players to have a partner from a different EVSTL club than their own.

The playing schedule will allow 1.5 hours per match with the first matches of the day at 8:00 am and the last matches at 3:30 pm. First round matches will be played on Monday and Tuesday. Second round matches in the "Championship" brackets will be played on Wednesday and second round matches in the "Consolation" brackets will be played on Thursday. Semi-final matches for both brackets will be played on Friday and final matches will be played on Saturday.

Most League Matches will be held at the north courts but we may also use the south courts if we have a large number of League entries or a rain delay. The

south courts are located just south of Guadalupe on Springwood Boulevard. The north courts are numbered 1 thru 6. The south courts are numbered 7 thru 12.

We look forward to another great tournament with great players having lots of fun.

See you on March 16th!
